Subject: Re: water trucks

-Fire: Emergency Fire
-Solar Panels: we can use it to clean the solar panels.

-Heavy Machinery: we can use it to clean all the heavy machinery, carts and bikes in a separate area from the main house

-Helipad: optional

I think in the future when all the roads are completed we might definitely need one.

tap liked first truck on list and vendor said second truck was best value as it had 1,000 of engine work just performed

please advise on the following:

a) is 2,000 gallon size large enough?
b) is water for irrigation or does it need to be potable?
c) tanks are steel not stainless steel - is that ok?
d) prices have not yet been negotiated however wanted to verify range of 47-50k was ok
-> estimated additional costs of 10,000 are as follows: shipping to miami 2800 tropical shipping 5700 and registration and road tax 1500

thank you
