Clomid is unlikely to cause a rise in triglycerides. But, good idea to stop. Let's see what happens. Let's hope you= back pain doesn't come back.

Sitcom on hold. Busy on a road show regarding my new company. Merger with FHCO scheduled for July.

Look at FHCO, price is low. Once we merge, will have a new name on Nasdaq.

Consider buying FHCO before we merge. That will help us. Proxy going out in a few weeks.
