-Fire: Emergency Fire

-Landscaping: when the landscapers are planting or hydro seeding it would be much easier for them to have a small water truck to follow

-Solar Panels: we can use it to clean the solar panels.

-Heavy Machinery: we can use it to clean all the heavy machinery, carts and bikes in a separate area from the main house.

-Helipad: optional

I think in the future when all the roads are completed we might definitely need one.
