We're =ot having much luck through New York Times/Monster so are now =nvestigating where else we might post to get a different batch of =andidates. I'm still not 100% sure why he didn't like the last =andidate so also exploring if there's someone who used to work at Seed =so I can personally vouch for them) who might be interested in at least =etting the project started. I have 2 feelers out and should know this =eek if they want to discuss.
