Subject: Monkey wood and Mango wood slabs

http://www.thaislabfurniture.com/Custom-Jobs-We-Have-Done_c3.htm

I spoke to the guy from this place. He is American, but based in Thailand. He is going to send me photos of the slabs of Mango and Monkey wood that he has that would work for the dimension table you want. After you approve the slab, they will sand it down, stain it to whatever finish you want(shiny, dull, darker, lighter). They make the benches out of the same slab of wood so it all goes together. It will take about 3 weeks to make everything and would ship by sea from Thailand which would take about 30 days. Total price for table, 2 benches and shipping is \$4200
