Subject: Re: Sketch, Barge & Boyson

ok.

Bosco is working on the leak right now. He said once he's finished we can do a cement run. I'll coordinate with Danny and Heavy Materials today.
=div>

Boyson said they'll be down for a few more months. He asked if we could help them in anyway? also 3 of his workers called and asked if we were hiring. Would you like us to hire them to work with the landscapers on cleanup or roads :-/?

An= R.
