Subject: Re: water trucks

brian looked at windows and will have a new proposal end of week brian believes that some windows are in very bad shape and cannot just be repaired by touching up perimeter

brian will review with window company this week for other suggestions

i wanted to review sea wall permit document with darren today so i will FedEx tomorrow and they will begin permitting process immediately

tap liked first truck on list and vendor said second truck was best value as it had 10,000 of engine work just performed

please advise on the following:

- a) is 2,000 gallon size large enough?
 - b) is water for irrigation or does it need to be potable?
 - c) tanks are steel not stainless steel - is that ok?
 - d) prices have not yet been negotiated however wanted to verify range of 47-50k was ok
- =/span>-> estimated additional costs of 10,000 are as follows: shipping to miami 2800

tropical shipping 5700 and registration and road tax 1500

thank you
