Subject: Re: Phone System

The battery back up went out and it stopped giving power to the system.
Unfortunately, Pat could not fix it remotely. He will send someone tomorrow around 8am to fix it.

Hi sir,
I'm sorry to inform you that the phone system is down. I have Pat Calahan from Sawyers Controls working on it remotely. If he can't fix it he will send someone tomorrow with a laptop to re program it.

Thanks
