Subject: Biggest favor ever 🙏

Hey Bossman,

I need the biggest favor in the world :-/ If possible. I hope my request don't upset you or make you feel some type of way.

I don't have a place on St. Thomas that's comfortable enough for my girls to stay when they're on St. I'm unable to purchase a house or get a loan to buy one because I have no credit and no co-signer. I know I had the opportunity to save that amount of money but with everyone (My Son & Family members) depending on me. I'm not able to save like I should

Would you, Could you, if possible, please purchase this house for (\$199K) and I can give you \$25k now and make monthly payments of your request?
