Great!

Does 8am work for you?

If it does that would be perfect as I could still make 11am flight to DC.

If not I can take later flight

Pls let me know location

B

Hi Tom,

I will call you in few minutes. Sorry I was at the non-stop meeting whole morning.

Tomorrow I arrive to Chicago at 2:20pm but I need to rush immediately to a board meeting. Should be done around 5:30pm. So any time after that is good for me.

Or on Saturday breakfast would be great – if possible slightly earlier as I need to leave for DC.

Looking forward to meeting you

Boris

Boris,

After lunch tomorrow or Saturday breakfast works for me. I will be at the TEDx dinner tonight as well.
