Hi Jeffrey,

How are you doing?

I am good ..having some fun with French boys between work and study!=But definitely they are nothing compared to you..american bo= ;)

I Submitted the harvard application with all the papers need=d, only LSAT score is missing for the moment. I also sent them by postal=mail about 10 dfferent diplomas from World Championatships, Summe= schools, leadership things, political camps, Models UN etc..= showing them how advanced in different areas I am -- i definetely =ill fly to NY for this course hoping to be better prepared for LSAt even i= my parents are against..like always

At the moment I work a LOT (about 15 hours per day) at Clifford on this rec=nt case concerning the American Air transportation company, internationa= law issue we have to figure out.. its so exiting> its actually what = do like, not corporate, due diligence paper work..

here are some news

big kissss
