Thanks, very much looking forward to meeting Sultan.

And I will take your guidance on how to proceed, but I've now got two good senior people to run the division (social media for countries) under my direction. And an initial "advisory council" for within Silicon Valley. Not all of it needs to happen this week, of course, but if we can introduce the idea over dinner tonight to Dubai – and follow up with a visit and presentation, that would be great.

Jagland is right, it turns out, but the 47 countries in Europe are 1) mostly democracies, and 2) can't afford this!
