Dear Jeffrey,

I have to move out with my baby. If you have a place for one month onl=, it would be a god send. I'm going to ask two other people as well who ha=e apartments.

I can move back into my own apt that I own but I have to give 30 days =otice. It's rented on a monthly basis.

Also, is there any chance I could go to work for you? I know I'm askin= a lot. I am very smart and hard working. Grounded and committed. I could =o anything--work for your website, interview scientists, candidates, whate=er you need. I would love that. I can send you my cv. I was recently = [REDACTED] [REDACTED]. I gave it up when baby was born because I was traveling=too much. Science though--specifically, metaphysics and creative writing a=e my two truest interests.

I promise not to pester you afer this email. I hope you are well.

All my best,

[REDACTED]
