Greetings Rich,

a) Sportis tubes - the vessel was delayed leaving STT - the tubes are expected in LA tomorrow 9/21 - Chalmer at Lund & Pullara has the paperwork and will be notified of the arrival he will begin the clearance process. There is currently no date for availability to pick up.

b) Hermes order - Beris at Viking Corporation is contacting Champion Movers on the EDA of the furniture. He has already sent them the logistical information they requested for the STT side, and has been waiting for a confirmed delivery date from them. The last EDA on STT was 9/7. There is currently no other date.
