Below from [REDACTED] May I reach out to Dr. Victor again via email and ask that he see [REDACTED] on the 6th as well as [REDACTED] and [REDACTED]?

I am so upset because I can't reach anybody from Victor's office.
They've told me that they'll be close for a few days but I guess it takes much longer now.
I need to start my treatment as soon as possible but I can't because they need to check my pregnancy and give me an prescription.
Do you know anything about that?
