tile layer \$25,000 breakdown of my estimate

the terrace and pool deck will run just under \$18,000 and take about 3 weeks ,crew of Chris and 4 people. I allowed in the \$25,000 some flexibility to allow me to have Saint to do the bath terrace, floors of the bath and cottage 4 in case our inhouse tile layers couldn't keep up,which would also extend the time or add more people

Tyson \$38,000 breakdown of my estimate

we got today a bill \$10,908 for the past two weeks,leaving \$27,000 bal.

I looked at the work to be done this morning and whats left is closer to \$20,000 and at least 3 weeks,and its Tyson and 5 workers

over the next 30 days we have 3 subs listed below doing the work below on a cash basis.I need your authorization to have them continue working and me give them local checks.

Rodney Rusphille did the collum wall and sea wall.

I have him scheduled to do the balance of the motor court wall we laid out and should start tomorrow. will be about \$25,000 two draws and we're done with motor court walls

Saint Tile they did the flag pole coral deck. He is starting the big terrace tomorrow and then the pool deck

\$25,000 total, he'll make two or three draws done in about three weeks
