And what did you expect from the film named "Melancholia"? Nevertheless,=I found that Von Trier is so ironic about lots
of things like marriages, fi=ms on apocalypses, and apocalypses themselves, that he made me smile more d=ring this
film than the last film of your friend Woody. Anyway, this film i= not about making you feel light and happy. Obviously,
we prefer different s=yles of fillms, and i am not astonished!

You asked me about my timetable, and you when are you next in Paris? I d= not think I will go to States again in 2011....

I has devored the w=bsite of the school that you send me, what a shame they do not have distanc= education.....i am
afraid there is not much school proposing this type of p=ograms distantly...
