Hello Jeffrey! Im doing all my [REDACTED] visa by myself, got ready documents from work, passport stuff, made my fake bank account, here is a business who put money on ur account, you have your bank statement, they have their 50 - 100 \$. that happens often due to a lot of people going abroad and have no money to show the statement. so I made my statement for 8 000 \$ cause I picked up 6month stay in NY in the [REDACTED] form and they need funds approval (for 6 mnth it is 7 770). Planning to come 2 Paris in the middle of August and then move to New York in September.

I will use this for [REDACTED] also, I also made fake hotel reservations for [REDACTED] because they need it like a tour. I will apply for it next week and will be waiting for I-20 to go to US embassy. the only thing is that they need to pay tuition fee by check, 4384\$ it is written above, they will 100% refund it as soon as i will refuse them. Back to [REDACTED] so muuuuuuch in my life, sometimes cant stand it but try to keep it up, fingers croxxed Take care [REDACTED]

THIS IS A RECORD OF YOUR REGISTRATION.
