Subject: Entry hall new York

The man who came to see the stairs last week for laying the faux leather say= he has looked at the material and thought about the job and doesn't feel c=mfortable doing it so is going to decline the job. His concerns are glueing=it to the floor and that it is a high traffic area and he has never worked w=th the product before, doesn't know how it will glue or wear. Will think wh=t to do next... Definitely want to go to the showroom in Paris and have a c=ose look and ask them questions
