hi jeffrey,

[REDACTED] just e-mailed me the pictures with the wall in palm beach. it looks like it is a big project and i dont know if i am able to do it now.

its not about me to go in vacation but i think i told you before that my mother is not good. in fact she is in the hospital right now, this year she got a few times to emergency room.. and i'm worried about her..she is 75... and she asked me many times when i am coming.

sorry but i dont think i can do this project now, it is too stressful, i'm worried.

can we please do this project later, in september? i will finish everything here i hope until friday and then i need to go..i have to stay with my mother for a little while. <=r> sorry, i hope you understand me.

thank you,
