Jeffery,

You saved me! Period end of story, and I cannot thank you enough but I will try for as long as I live!

I paid off my CA tax on Friday. The stress that was causing was enormous. I feel like I'm breathing fully with both lungs.

I didn't write beyond saying thank you so much when you approved the loan, because I just wanted to stay out of your hair. I truly felt I'd bugged you enough.

With the time you've given me, and the income projected, my accountant and I are working out my ability to pay you back right away.

It's embarrassing for me to be in this position...very. Thank you again for being so kind, and always understanding.

I'm in New York until tomorrow for the FOX upfronts and then back to L.A. It went very well and it's exciting (and rare) to have two shows on this season.

Best,
Barry J
