Hi [REDACTED]

I'm away this week in Madrid until Friday--excuse the delayed response.

I'm afraid I can't organize anything as I'm pretty fully booked until I return. If you tell me who Jeffrey has in mind I can see what I can do. I'm pretty tight in any case as pages for my book due in a week so I prefer not to overschedule. But definitely can make a bit of time to see him. Where will he be?

Hello Lisa. As I said yesterday in my email to you, Jeffrey will be up at Cambridge this weekend (Sat. and Sun.) He is hoping you are around and available to meet with him, but is also asking if you could bring 2 other physics people with you.

Please let me know,
