hi jeffrey,

..so the rooms are done.

i think the pink room looks great. all the furniture is matching the pink walls, the big painting too. maybe it doesn't need now the dark carpet in the center of the room...

the blue room looks good too..maybe the carpet isn't perfect in the hallway... i was thinking maybe the carpet there is in the pink room might match the blue room as well.

it's just a thought.

thank you,
ion

ps. i don't know what's next, but if we don't have anything to do here i could go do the white venetian plaster at the island
