This is what I received from Nick today:
I received this Text message tonight,

Larry,
If u ask me I think they might exchange for a demo unit but we will need to wait and see Nick,

From Nick;
This is what I just received a couple of minutes ago to keep everybody up to speed from my National Sales guy at DPI

"I hope to receive a response from George tonight or tomorrow. He is in Arizona for an industry conference this week. I emailed him the details earlier today. My guess is that he has been in meetings all day and will not be in front of his computer until he reaches the hotel this evening. I will contact you as soon as I get word back."

I will keep you informed as I receive any news.
