Jeffrey and Gary,
(SCP Tiles do not recognize: white carrera or statuary)
here are tiles found @ SCP Distributors in West Palm Beach, if you order from other suppliers each company die lots may vary, important to obtain sample from distributor for exact match, I've seen three different cobalt Blues, all are slightly different,.

These are the color boards I will bring with me to St. Thomas tonight, , I land at 9pm St. Thomas,.
all of these samples come in 6X6,. including the edge board sample below,.

I also sent as attachment,.
