Sorry for the delayed response. Still trying to lock down my schedule. As of right now it looks like I'll be stuck in LA for the first half of April. From there I need to go to Korea for a few days and then China for a few days. Probably going to stop in Hawaii on the way back. I could be available and may try to go to NY around the very end of the month or early May. Do you have plans to be in LA anytime soon?
