No, because of the outstanding line. He'd want me to pay that down before he'd lend again. I'm very upset with him, and don't know that I'll be with that bank when all of this is behind me. I was and still am an original investor in the bank and have kept my equity in it and all of my accounts over the past 8 years.

I just need to get top July-August as I'll have Bones starting then, perhaps my other show The Finder, and films by the end of the year.

Jeffery,

I just got word that Bones Season 7 is picked up! Which means I will beginning to earn that income (788k) starting July 9th.

What ever you decide, I'll begin to pay you back in some small installments by September, larger ones as films go into production.

Have a great weekend and thanks again for the consideration!!!

Best,
Barry J
