Subject: Moving Forward

Rich per our discussion , here are a couple of questions I have in regards to moving forward to complete the project.

71st Street

- 1- Do we still intend to use the Integra Preamp or Airplay receiver?,.
- 2- JE likes to control the Sonos with the IPAD is there already one in the 6th floor or do we need to provide one?
- 3- Do we want to control the Sonos with the existing Crestron remote =Iso?

LSJ

Theater room:

- 1- thoughts on building an enclosure with a hole just large enough for lens to protrude out, so baffle the projector noise,,  
and provide proper cooling for projector.

Master Bedroom

- 1- Do we still intend on using the existing Sunfire equipment for this room or change the pre-amp to integra or airplay  
compatible =eciever?
- 2- Will we be using a Universal remote to control the System or iPad to control system?

Gym

- 1- Do we need to change any thing in the Gym

TiKi

- 1- Need speaker choice for Tiki area ?
