Some complications – need to cancel it.

Bill is right now in UAE with a crown prince (a brother of your friend). They are signing a deal – it will get announced tomorrow.

There are some complexity that I will tell you about.

<=o:p>

In addition to possible not good fit for a dinner (these 4 people know each other and although different have a lot in common). They are part of YGLs and significant discussion will be around that.

There are few other things.

Thus, I will right now send an analogic email informing them that Bill is arriving to Davos later than what we expect so that unfortunately we need to postpone it.

This was no one looks bad.

What do you think?
