Halloo kitty-cats!

I stormed into the changing room at the gym and stopped cold in my tracks: = woman was on her knees on a prayer mat. All this [REDACTED] click immedia=ely so my first instinct was to step over her mat to get to the locker. My=common sense then took over and I turned around.

As a quiet protest I decided to take off my panties without covering up. Go= forbid one would take underwear off in a locker room! HOWEVER women can b=ing their 10 yr old sons to the locker room. That's perverted!

I'm updating the class bulletin for next year. The hippie classes we l=;re teaching sound like bad Julia [REDACTED] movies: 'Love, sex and God&#9,, 'Sex and religion', 'Women, the Middle East and Sex'.=A0

THANK YOU, =e got it: NYUAD is a liberal, Jewish university taking shit from noone! Je=z, take it down a notch...

I wish you all good health.
