Dear Jeffrey,

I would like to travel to LSJ next week to work out the bathroom on site, see progress of the library and answer all the questions and also see the location and massing of the proposed indoor pool and screening room on site.

[REDACTED] I would like to travel to TT on Monday, Feb 15 and return on Saturday Feb 20. Travel seems unexpectedly difficult to STT; but USAir #4605 / 1018 from GA at 7:00 am seems good and the return on the 20th seemed reasonable. I don't have the strength for three connecting flights to get to TT! I suppose a direct, non-stop flight is too much to hope for, but it is high season! Please let me know, Thank You. Doug
