Hi.. Big Boy . You forget me so soon.??? I thought you were my pal.
So I hear maybe we'll get to see you some time soon ; TRUE? or whenever . Would like that.
My Big Guy (BML) and I up in North Car. this past 5 days trying to set up the house.
Seems like it should be more fun yet time consuming and expensive . Wish we could have done what Jack did
1-2-3 . Bru with Jack for lunch today so thought of it and always , YOU
But he is for real HAPPY! After the year he's had he deserves it . I'm glad.
Would like to take the SONY up but I think we need a 46 " or 47" for the first level and even Bigger (much) for
the DOWN "entertainment center" long wall when we have a new budget - as my husband tells me I've already
exceeded mine ! shock. a "shonda" (sp)
I'm not good at that . You were better =

Anyway hoping all getting better for you and that things should look UP. Always on your side. Are you for real
OKAY ?

WE here headed for BIG moments too - think I told you - MY 60 th B. D. June 10th (oy) =
Yes , you'll always be younger .
OUR ANNIVERSARY as you might remember JUNE 8 th . Will never forget you for that . ever.
THIS ONE IS a hard - to - believe , 25 th . WOW
(amazing feat as a matter of fact that deserves celebration and recognition for sure) and the poor timing ,
I'm needing rotator cuff surgery June 17 th (a big ick) . Very sadly had to cancel our special trip to The Cove /Atlantis
or just 4 days with our family (they too will have to survive without being me ,i was /am, guilty) or had to put off the
surgery for another month (and I just mentally or painfully , can't - need it over with - hear it's awful but a must-do).
Lots of re-hab . Like to think by the Fall , and holidays , I'll be nearly perfect !
Maybe will hear from you TODAY - somehow , somehow . please .
I just wasn't blessed with a great spinal section or our brains.
Trying to look on the brighter side. House occupying my time and brain so , I'll live... hopefully.

Don't know what to do quickly for Bruce for anniversary but will do - - - . Any idea ?? !!
You would have great idea maybe , but you have all your own things to handle so I wish you only the best.
Will call upon you if desperate , yes ?
Too long a note for you . Sorry/ . Prop me a "hey" , yes again ?
your Brooklyn girl; MARSH (ever so much NOT like your other friends or acquaintances)
Still, and sincerely ,
a Big HUG
