Dear Jeffrey:

As you are aware, I'm working closely with Gary in order to finish up the CZM Permit Application. I just wanted you to know that I am totally committed to completing this task which should be by the end of March. Also, I want to express my thanks to you for giving me the opportunity of working on such an exciting and unique project. It has been a great opportunity for me and a real help to Landmark and for that I am very grateful. I want you to know that I am available to help in any way I can in the future if the need arises.

Sincerely,

Stephen
