Jeffrey,

I spoke with Doug earlier, and I understand no decision has been made yet on the Screening Room and Pool Area at Little St James. (Per your last email, the project is on hold for now, and you are reviewing the revised layout we provided.)

I need payments on our last invoices, per our original signed contract. The invoices (attached) are from mid-February. I was hoping to have them cleared by the end of March, as I wrote in my email below, but have not seen any response yet. Please let me know what I need to do to get this resolved. I am getting a lot of heat from our CFO.

Thanks,
Warwick

Hi Jeffrey. I spoke with Gary earlier today, looking for an update on the screening room and pool area. What is the status on the revised plans, and the latest invoices for us and our consultants' work? I was hoping to get current before the end of the month, which ends our fiscal year. Do you need any more info from us on these items?

Thanks,
