Subject: Thank you ❤️

Just want to say thank you again for everything. I'm happy with the new credit card arrangement and to have a limit (which is a very generous limit) Just when I think about it I start thinking again about everything you do for me - school, food, medical, house, transport - entire life. I hope at some stage I can take myself off your hands and be in a position to only give to and love you. It would be so nice!!
