Got it. Then the only added comment is take your rear deck and add that upper space with a railing / put some furniture out The sale is mostly in the back yard / water- pool

Just a thought

House looks good though. U did a great job

Hope you are well

I told JE that I stopped at the palm beach house you renovated.

You did a great job. I just think you need another level of love if you want to sell

If I can help let me know I will call you
