Subject: Fwd: Selected Finishes for Intercom

please advise on color selection for 71st street front door intercom / keypad and scanner
merwin says below that we currently have color is light antique brass but it shines like polished brass

Rich,
Color wise it's light antique brass but it shines like polished brass.

Richard / Merwin =

We need a confirmation of the "Finish" for the plates.
The most popular is Oil Rubbed Bronze. Please see the link below for colors.
