Jeffrey

I was thinking of [REDACTED] for you. She can be a solid acquisition for one of your financial services or you can just be friends. She is kind of [REDACTED] = Very well travelled, curious, ex model. Hungarian. MBA Graduate from Cambridge. She worked 8 years in investment banking - black rock and jp morgan in NY and London. Now she runs her travelling blog and sees the world waiting for a new good opportunity to come to continue her financial career.

She is based in Budapest and London. I'm seeing her in Hungary tonight. If you like talking to her by Skype and fly her to Paris to meet you, she may be keen. [REDACTED] would be happy to meet you she said.

Her photos below. Her contacts :
