thank you very much for your response. I am now being told, that we need to be sensitive to a bird sanctuary, first it was that mainland was protected, then it was in a marine reserve and now bird sanctuary, NONE of this is true. I will send the dimensions of an area to plant palm trees as asked. . we estimated 30 by 60. . but for the first time, I now have to submit permissions to plant some trees???! . with specific dimensions. I want to comply with all that Mr Oriol asks. &=bsp; thanks
