Subject: VP-BBJ Inspection Estimated Invoice

Dear Alireza,

The following is an estimated cost for the research of documents, which began in April, through the issuance of a United States C of A. This estimate is based on working from my office and the issuance of the C of A taking place in Indianapolis.

45 man hours @ \$150 per hour	\$ 6,750
Issuance of C of A flat rate	=20 6,000
Total	=nbsp; &nbs=; &n=sp; \$13,750

Bob's estimated costs are in the email below.

I discussed the current status of this project with Bob Hang today and until there is a commitment to purchase the aircraft, I do not recommend Bob go to Switzerland just to oversee a 2A inspection.

Please contact me with any questions.

Best regards,

John Shrout
