northeastern university

I talked w=th more people
There is a pot of land (about 3.3 acres Lan=)right next to Boston art museum and
It i= an excellent location : right next to Harvard medical complex
Th= land is around 80 million
Then there is building cost,whic= can be expensive
There is also other opportunity : 60 acre= of land of a complex which was the head
quarter of Boston globe (the news=aper)
They are asking 80 million
But renovation w=uld be in the order of 10
Million
Location is right nex= to the JFK library
So not bad as it is along the red line<=div>
Yau

Best regards
Yau
