i saw listing online and thought it looked clean and nice sized for my family i sent listing to my wife who was with sarah fiszal at the time and sarah told her it was jeff zuckers apt he is selling and buying a larger unit in the same building

i now we both think building has not yet fully turned over from the olderly to young families but i believe the process may be beginning..

i understand that Hermes is moving to the shopping center where Palm Beach Grill and Too Jay's are located that retail strip is owned by Lisa and Richard Perry who are trying to bring in other high end stores..

i welcome your thoughts...
