Waiting for a list of people and the program. FYI, I just found out that the event is from 3pm to 9pm.

One weird and bizarre idea - the last time I saw Marvin, and Mandelbrot, they had dinner together and they were talking about someone named Kakutani. "You mean Michiko Kakutani" (the lead literary critic for the NYT and most powerful in US). "No, Marvin said, 'I'm talking about her father, Shizuo Kakutani (the Kakutani fixed point theorem) who was my thesis advisor Benoit's colleague when they were both professors at Yale.'"

I've met her only once, but have corresponded. Maybe she would come.
