Eva,
[REDACTED] has spoke with the dr. on call saying that you will be speaking with Dr. Eiss and gave her authorization for you to discuss her medical information.
But she also would like for you to speak with her primary care Dr. [REDACTED] who has all her medical records. She said that Dr. Santos can call you herself if you prefer, she would just need you phone number. Please let me know which way do you prefer..

Thanks a lot!

I asked her to call Dr. Eiss's office to give the permission. She will try, if no one can help her now, she will call tomorrow morning

Eva, do you need [REDACTED] to call the doctor and give her verbal permission for you to talk to them?

Thank you!
