Hi Joi:

Mr. Jeffrey Epstein suggested me to contact you regarding potential collaboration between Tsinghua and MIT Media Lab.

I am responsible for international cooperation and exchange at Tsinghua University. Before I undertook the current administrative job, I personally was involved with the collaboration between Tsinghua School of Economics and Management and MIT Sloan. The collaboration between the two schools included faculty exchanges between 1997-2014, and a co-branded MBA program at Tsinghua since 1997. In 2014, I remodeled the MBA program to be branded as Tsinghua-MIT Global MBA, with about 10% -15% teaching delivered by Sloan faculty members as a taste. o:p>

I am interested in possible student or faculty exchange with MIT Media Lab. I'd appreciate your thought on the format of collaboration.

Very best regards,

Jack
