below from Dr. Ting..ok to have him come by the house for =onsult end of day Monday?:

Yes I think it would be wise to see Jeffrey in person before =ushing into surgery. This is not something we want to do without =arefully considering every risk/benefit.

Why doesn't he come in late that day, or I could even stop by =is resident. It would really take me a about 2 minutes to size this =umor up in person.
