I know the designer and she told me she will let me know tonight if she can hire me. I can also help her in the showroom and in the design lab which is amazing because they have a huge basement under the store with all the tailors working on thousand of different fabrics like in the old times, all made by hand. The store is very beautiful, they only have one in Milan but what they do is amazing to me because it is one of the only brands that still manage to maintain the quality for each piece that they make choosing from the best materials. I think I can learn a lot there and I love what she does
