Dear Jeffrey,

It is possible for me to come on Wednesday as I am already engaged with meetings the first two days of this coming week. Please let me know if it's working with your schedule.

Best,
Christian.

I think you are working without a topo.. again i think it is not effective.... I am going to the island for the week , either leaving sun afternoon or early monday and will be there all week I would like to give you a chance . but can only make a decision , after a fair understanding. do you want to come
