Hi Daphne,

W= are still during montage - please see the enclosed pics.
T= finish the installation we need some cables, engine connector etc for whic= we must wait (I don't know how long).
If we had the origin=l installation made in USVI, we would be already after testing.
<=pan>Now we have to spend a lot of money for custom and one-time solution.</=pan>

Best regards
Adam Zykowski

Greetings Ada=,

Checking in with you to see if the eng=ne mounting has been successfully

napisal(a):

i assume you received the engines yesterday

please advise on your test results
