Yesterday was fabulous! still here today, not as strong so far. Will forward an email I wrote for Leon last night as quick update on a few items. I'd like to speak with you tomorrow morn just about funding. Ada is in the office, she can give you an update on the acctg. PW fiduciary accountant spent time with Tom yesterday. Eventually, he supported presentation Tom used as necessary (although not ideal). I still have to review some items on one of the significant schedules with Tom where entries need to be examined. Hope to have feedback from Carlyn soon. In between everyone is reviewing the release once more this morn.
